### **Notes:**

1. Fill-in-the-blanks require turning the sentence into a question. After you do this, answer it.
2. Open book requires RTS Success® notes.
3. Aptitude tests require summarizing before answering the question.
4. When you do not know an answer, use an educated guess, but correct note-taking will avoid this issue.
5. If running out of time, b-line, or c-line: the law of probability.
6. Use the Studying and Test Taking Review Strategies supplement for pretest suggestions.
7. Always read test directions. Parse and translate.
8. NEVER cram for a test.
